ANSWER

**MINISTER OF STATE OF THE MINISTRY OF CORPORATE AFFAIRS AND MINISTRY
OF ROAD TRANSPORT AND HIGHWAYS**

[SHRI HARSH MALHOTRA]

- (a): MY Bharat portal enables Ministries, Departments, organizations and institutions to onboard and host their programmes. PMIS has collaborated with MY Bharat to increase youth participation in internship opportunities posted under PMIS, across the country. MY Bharat leverages its extensive youth network and digital engagement platform to create awareness about

PMIS and encourages the youth to apply for internships offered by partner companies. The collaboration focuses on grassroots outreach, organizing awareness and internship camps, and connecting aspiring candidates directly with participating companies for internship opportunities. The PM Internship scheme is being implemented as a national level scheme in which internship opportunities are posted across districts/cities in all States/UTs. The parliamentary constituency-wise data of the same is not maintained.

(b): As per the information provided by MY Bharat as on 16.07.2026, about 98000 youth have been mobilized across the country out of which 8428 candidates have applied for internship on the PMIS portal. The State/UT-wise breakup of youth who have applied for internsip including the states of Madhya Pradesh, Maharashtra, Himachal Pradesh and Rajasthan is placed as Annexure. As mentioned in reply to part (a) above, parliamentary constituency-wise data of the scheme is not maintained.

(c): As on 16.07.2026, in partnership with MY Bharat, the Prime Minister Internship Scheme (PMIS) has organized three outreach and internship camps to connect youth with internship opportunities offered by partner companies and organizations. These camps enabled direct engagement between candidates and companies, helping the youth learn about available roles, understand industry expectations, and complete application formalities. The details of the participation in the above camps is as follows:-

S. No.	Location	No. of youth participated
1.	Chennai (Tamil Nadu)	600+
2.	Pune (Maharashtra)	90
3.	Dantewada (Chhattisgarh)	800+

So far, PMIS outreach camps have not been organised in Andhra Pradesh, Nabarangpur and Malkangiri districts in Odisha, Jalgaon district in Maharashtra, Shimla in Himachal Pradesh and Kutch district in Gujarat.

(d): MCA has been actively collaborated with State Governments of Andhra Pradesh, Maharashtra and Odisha to carry out Information, Education and

Communication activities, including workshops, seminars, and promotional campaigns - both online and on-ground to amplify program visibility and to reach out to the target groups in various districts of the States. With active support from states, awareness campaigns were carried out at educational institutions such as ITIs, colleges etc.

(e): As on date, such a camp in Chhindwara district in Madhya Pradesh has not been planned.

(f): The collaboration between PMIS and My Bharat aims to enhance awareness among the youth regarding internship opportunities, facilitate their engagement with representatives of participating companies, and support them in completing the application process. Accordingly, the collaboration is expected to enable a larger number of youth to apply for and participate in internship opportunities offered under the PMIS. The initiative is also expected to contribute towards the vision of Viksit Bharat@2047 by enhancing the employability of youth and expanding access to industry exposure through structured internship opportunities.
