**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI KAMLESH PASWAN)**

(a) & (b): The Pradhan Mantri Gram Sadak Yojana (PMGSY) is a flagship intervention of the Government of India aimed at strengthening rural infrastructure by providing all-weather road connectivity to eligible unconnected habitations and consolidating the existing rural road network across the country in accordance with the programme guidelines. The implementation of the scheme has significantly enhanced rural accessibility, socio-economic integration, and the overall rural economy. Since inception, a total of 7, 97,000 Km of road length has been constructed, connecting 1,62,836 eligible habitations with a cumulative expenditure of ₹3,56,619 crore across various verticals of the programme.

The phase-wise cumulative physical status of sanctioned, completed, and balance works under the various intervention/verticals of PMGSY is given below: -
