- (b) whether any such companies received fiscal incentives etc., from the Government, if so, the details thereof;
- (c) whether the Government has assessed the impact of such overseas investments on domestic industry/employment etc., if so, the findings thereof; and
- (d) whether the Government has engaged with such companies to encourage corresponding investments in India to check its adverse affect on domestic investment, employment etc., if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री जितिन प्रसाद)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI JITIN PRASADA)**

- (a) to (d):** The Government of India in consultation with the Reserve Bank of India and other stakeholders undertook a comprehensive exercise to simplify the Overseas Investment Rules and Overseas Investment Regulations. Consequently, Foreign Exchange Management (Overseas Investment) Rules and Foreign Exchange Management (Overseas Investment) Regulations, 2022 had been notified on 22nd August 2022.

Foreign Exchange Management (Overseas Investment) Rules 2022 do not specify giving incentives to the companies investing overseas. The ODI outflow on account of liberalized ODI rules is helping Indian entities to enhance their business footprints abroad enabling them to compete in the global market, adding to the strength of Indian economy in long run.

The Year wise Overseas Investment by India in USA (Sector wise & Year wise) is at **Annexure**.
