

GOVERNMENT OF INDIA
MINISTRY OF CHEMICALS AND FERTILIZERS
DEPARTMENT OF FERTILIZERS

LOK SABHA

UNSTARRED QUESTION NO. 3342 TO BE ANSWERED ON: 07.08.2026

Availability of Fertilizers

†3342. Smt. Manju Sharma:

Will the Minister of **Chemicals and Fertilizers** be pleased to state:

- (a) the quantum of Urea, DAP and other fertilizers made available to farmers during the last three years, year-wise and State-wise;
- (b) whether the Government has received any complaints from farmers regarding the shortage of DAP/pesticides;
- (c) if so, the number of such complaints received during the last two years, along with the details of the areas worst affected due to the said shortage;
- (d) the reasons for the said shortage such as import constraints, decline in domestic production, distribution related issues, etc.; and
- (e) the steps taken by the Government to resolve the shortage and ensure the timely availability of fertilizers and pesticides to farmers?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS

(SMT. ANUPRIYA PATEL)

- (a) to (e) Following steps are taken by the Government every season for ensuring timely and adequate availability of fertilizers in the country:
- (i) Before the commencement of each cropping season, Department of Agriculture and Farmers Welfare (DA&FW), in consultation with all the State Governments, assesses the State-wise & month-wise requirement of fertilizers. On the basis of requirement projected by DA&FW, Department of Fertilizers (DoF) allocates adequate quantities of fertilizers to States by issuing monthly supply plan and continuously monitors the availability.
 - (ii) The movement of all major subsidized fertilizers is monitored throughout the country by an on-line web-based monitoring system called Integrated Fertilizer Management System (iFMS).

- (iii) The gap between demand (requirement) and production for Urea & other fertilizers is met through imports. The import for the season is also finalized well in advance to ensure timely availability.
- (iv) The State Governments are regularly advised to coordinate with manufacturers and importers for streamlining the supplies through timely placement of indents.
- (v) Regular coordination is done with the Ministry of Railways for giving sufficient rakes, priority to fertilizers and for timely evacuation of rakes for States.
- (vi) The distribution of fertilizers within the State at district/block level is done by the concerned State government.

In view of above, the availability of fertilizers viz. Urea, DAP, MOP and NPKS has remained adequate in the country during the ongoing Kharif 2026 season. The State-wise information regarding availability position of these fertilizers in last 3 years and during the ongoing Kharif 2026 season (as on 03.08.2026) is placed at **Annexure**.

Further, as informed by DA&FW, Registration Committee constituted under section 5 of the Insecticides Act, 1968 grants registration certificates for generic pesticides expeditiously to ensure the availability of pesticides at reasonable prices. Further, as per the assessment carried out by DA&FW in consultation with major pesticide associations, it is indicated that sufficient inventory of pesticides is available in the country for the ongoing Kharif 2026 season. As per the data available for FY 2025-26, the pesticide production reported by the DCPC stands at 3,02,974 MT in comparison to 2,87,267 MT during 2024-25.

Annexure referred to in reply of parts (a) to (e) of Lok Sabha Un-starred question no. 3342 for answering on 07.08.2026
