

**GOVERNMENT OF INDIA
MINISTRY OF EDUCATION
DEPARTMENT OF SCHOOL EDUCATION AND LITERACY**

LOK SABHA

**UNSTARRED QUESTION NO. 69
ANSWERED ON 20.07.2026**

**Infrastructure Gap in Kendriya Vidyalayas
and Jawahar Navodaya Vidyalayas**

69. Shri Pushpendra Saroj:

Will the Minister of EDUCATION be pleased to state:

- (a) the current student-to-computer ratio in Kendriya Vidyalayas and Jawahar Navodaya Vidyalayas in the country, classified State/UT-wise and district-wise for Uttar Pradesh;
- (b) the number of schools where computer laboratories are either non-functional or operating below prescribed digital infrastructure norms under Central guidelines, State/UT-wise and district-wise for Uttar Pradesh;
- (c) the total Central funds sanctioned, released and utilised during the last five years for ICT infrastructure and computer laboratory upgrades in these schools, State/UT-wise particularly for Uttar Pradesh;
- (d) the findings of any monitoring or audit conducted by the Ministry regarding gaps in digital access affecting computer-based learning and examinations; and
- (e) the time-bound plan adopted by the Central Government to reduce the digital infrastructure deficit in centrally administered schools in Uttar Pradesh?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(SHRI JAYANT CHAUDHARY)**

(a) As per information received from Kendriya Vidyalaya Sangathan (KVS) and Navodaya Vidyalaya Samiti (NVS), the current student-to-computer ratio at the national level is 15:1 in Kendriya Vidyalayas (KVs) and 10.8:1 in Navodaya Vidyalayas (NVs). The State/UT-wise student-to-computer ratio in KVs and NVs is at Annexure-I, while the district-wise student-to-computer ratio for the State of Uttar Pradesh in respect of KVs and NVs is at Annexure-II & III, respectively.

(b) The details of KVs, State/UT-wise and district-wise in the State of Uttar Pradesh that are operating below the prescribed digital infrastructure norms are at Annexure-IV and Annexure-V, respectively.

The State/UT-wise details of NVs that are operating below the prescribed digital infrastructure norms are at Annexure-VI. There are 09 NVs in the districts of Uttar Pradesh namely Agra, Azamgarh, Banda, Jhansi, JP Nagar, Jaunpur, Faizabad, Deoria, Etawah and Hapur of that are operating below the prescribed digital infrastructure norms.

(c) As per information received from KVS, ICT infrastructure is developed through the Vidyalaya Vikas Nidhi (VVN) in KVs. Additionally, funds from Central Government have also been sanctioned under the PM SHRI Scheme for KVs for ICT infrastructure/computer laboratories. The State/UT-wise details (including the State of Uttar Pradesh) of Central funds sanctioned / utilized in last five years, in respect of KVs and NVs are at Annexure-VII.

(d) & (e) Setting up of ICT / digital infrastructure in KVs and NVs is a continuous process which depends upon various factors such as opening of new schools, addition of higher classes, availability of funds, availability of Internet connectivity etc. ICT infrastructure is monitored by KVS and NVS on a regular basis through periodic reviews and reports received from their Regional Offices, and the respective schools. The identified gaps, wherever reported, are addressed, subject to availability of resources and operational requirements. KVS and NVS are continuously strengthening ICT infrastructure through the provision of computer laboratories, computers and furniture in computer labs, smart classrooms, internet connectivity, and other digital resources. ICT infrastructure in newly opened KVs and NVs is also being established. This also includes the schools located in the State of Uttar Pradesh.

ANNEXURE REFERRED TO IN REPLY TO PARTS (a) OF THE LOK SABHA UNSTARRED QUESTION NO. 69 ANSWERED ON 20.07.2026 ASKED BY SHRI PUSHPENDRA SAROJ, HON'BLE MEMBER OF PARLIAMENT REGARDING "INFRASTRUCTURE GAP IN KENDRIYA VIDYALAYAS AND JAWAHAR NAVODAYA VIDYALAYAS".
